

The Schedule of Voluntary Contributions and Charges for 2017 is as per the School Education Act (1999) and Regulations (2000). The schedule is broken into four sections and will allow you to calculate all costs you may incur during the 2017 school year.

The school is required to notify parents of the predicted costs they are likely to encounter for their child(ren)'s education in the following year of schooling.

The costs outlined are maximums that the school will not exceed. Actual costs for most parents could be well below these figures.

Yuluma Primary School Board (comprised of the principal, 3 teaching staff members, 4 elected parent representatives and 1 P&C representative) has endorsed the 2017 attached schedule at a meeting held on 24 October, 2016

Payment Schedule:

Voluntary Contributions can be paid through the front office by cash, cheque and EFTPOS.

Regular instalments are accepted.

**VOLUNTARY CONTRIBUTION LEVY
Kindergarten to Year 6**

Under the current School Education Act, it is a requirement for schools to outline all voluntary contributions and charges for 2017.

The school needs your commitment to the voluntary contribution as it is a major source of funds for the school and relies on all families contributing, to supplement the funding gained from other sources including State and Government grants.

\$60 per child, Year K-6

The quality of our teaching and learning program will be significantly enhanced if all families pay the levy.

In turn the school is able to reduce "School Requirements" costs to you as it buys items that were traditionally supplied by parents by using the voluntary contribution money.
