

The Schedule of Voluntary Contributions and Charges for 2019 is as per the School Education Act (1999) and Regulations (2000). The schedule is broken into four sections and will allow you to calculate maximum costs you may incur during the 2019 school year.

The school is required to notify parents of the predicted costs they are likely to encounter for their child(ren)'s education in the following year of schooling.

The costs outlined are maximums that the school will not exceed. Actual costs for most parents could be well below these figures.

Yuluma Primary School Board (comprised of the principal, 3 teaching staff members, 5 elected parent representatives including 1 P&C representative) has endorsed the 2019 attached schedule at a meeting held on 22 **October 2018**.

Payment Schedule:

Voluntary Contributions can be paid through the front office by cash, cheque and EFTPOS.

Regular instalments are accepted.

**VOLUNTARY CONTRIBUTION LEVY

The school needs your commitment to the voluntary contribution as it is a major source of funds. The school relies on all families contributing, to supplement the funding gained from other sources including State and Government grants.

\$60 per child, Year K-6

The quality of our teaching and learning program will be significantly enhanced if all families pay the levy.

The school is very well supported by a hard working body of parents in the Parents and Citizens Group. Parents are encouraged to take an active role in the P&C as resources provided by the P&C benefit the entire school.

To assist in the payment of ongoing fixed costs, such as insurance for volunteers, the P&C is implementing a voluntary contribution of \$50.00 per family in 2019. This can be paid in cash via the front office or via EFT to:

Name: Yuluma P&C
BSB: 066161
Account: 10121941

This contribution will help the P&C provide canteen services 3 days a week and a uniform shop on site. Without your financial and volunteering support these services wouldn't be possible. Thank you.
