Your School Board in Christina Read (Chair), Mariam Hussein, Sonja Roeterdink, Mike Newton, Dave Amin, Jo Johns, Kate Rennie, Sandra Barnes and myself continue to work diligently in promoting the school's academic performance whilst still building our strong community values and close sense of family. We welcome ideas and contributions to the Board's thinking in how you would like to see the school develop.

Greetings All, Reporting to Parents

Our distribution of student reports on Friday 22nd June (Online & Paper) was followed up by our Reporting to Parents interviews and discussions. The general sense I am gaining is that the interviews are successful, useful interactions that promote parent understanding and opportunity to support student learning. Please let me know your thoughts if you have not already completed the Parent Survey distributed online (<https://www.schoolsurvey.edu.au/s/cnV5Zy2h>) and on paper on the Wednesday 27th June. The survey has not closed so please contribute to your school's growth if you can.

Mrs Cheryl Rule has been our Education Assistant in the Early Childhood Area for 20 years at Yuluma and held a variety of other roles within the Department of Education prior to that time. Mrs Rule has taken the step into retirement, and we wish her all our best during this time and the future to come. Our grateful thanks are passed to Cheryl for her dedication, enthusiasm, effort and commitment to the school over this period. Congratulations Cheryl.

The Eagles Cup competition has concluded this term with wins in Soccer and Netball for the school. Our students have played magnificently, displaying skill, agility and sportsmanship (and sportswomanship)! Check out the photos in this issue.

Builders refurbishing the science room (room 15) will continue through the holiday break with access granted mid term 3. Quotes have also been called for Shade structures over the Senior and Kindergarten play equipment.

Congratulations to Mrs Felton and the Year 2/3 students for their timely reminder of Eating Healthy, Sleeping Well, Building Friendships, and staying active. Excellent advice all presented at the fine Whole School Assembly on Thursday. Highly evident on the day was the growth demonstrated in these students in just 6 months. We look forward to welcoming everyone back for the start of school for students on 17th July. My thanks to all our wonderful staff for a powerful term – fulfilling at so many levels.

Enjoy the holiday break everyone as we prepare for a big second half of the year.

Regards

CHAPLAINS CORNER

Hi Yuluma Families

What a great term this has been. As Chaplain I have continued to help out with guided reading in Pre-Primary and Year 1 classes this term. It is such a good way to get to know the students, and it is rewarding to see them developing in their reading and comprehension skills as well. We have started a lunch time program with Mrs Burrell for the Year 6 students, which has been going very well. Students enjoy participating and are developing their social skills. My regular pastoral contact with students across various year levels has continued. I have enjoyed meeting some of our wonderful Kindy parents at the morning tea earlier this week and can't believe that I have been at Yuluma Primary School for over a year now. I really feel a part of this great community and I look forward to the second half of this year. Many thanks for all your support and I hope you have a happy and safe holiday.

Virtue of the Fortnight

Self-Discipline

Self-Discipline means self-control. It is getting yourself to do what you really want to do, rather than being tossed around by your feelings like a leaf in the wind. You don't lose control of yourself when you feel hurt or angry, but decide how you are going to talk and what you are going to do. With self-discipline, you take charge of yourself.

AFFIRMATION

I have self-discipline. I use my time well and get things done. I choose my actions with detachment.
