## Coming Events

### 2017 Term 2

#### June

**27 Reporting to Parents Day**  
**30 Last Day of Term 2**

## Term Dates

### Term 3 2017

**Tuesday, 18<sup>th</sup> July – Friday, 22<sup>nd</sup> Sept**

**Staff Development Day**  
**Monday, 17<sup>th</sup> July**

*Students do not attend school*

### Greetings All

Following our very successful Ride to School day in term 1, we have made some changes to the security of bikes ridden to school. These changes will be in place for the start of term 3. The BRICK ENCLOSURE (adjacent to Room 8 and the Netball Courts) has large green lockable gates. Racks for bikes will be in the locked brick enclosure so that students may keep their bike safe during the day.

- Students will put their bike into the Brick Enclosure by 8:40am.
- Gates are locked at the siren. Late comers will have to use the racks adjacent to the junior playground.
- Each bike should have it's own lock and be locked to the bike rack – this duplication is up to each family to decide.
- Gates will be unlocked at 3:00pm for students to collect bikes.
- Cyclists and Scooter riders **MUST WEAR HELMETS**

The new bike enclosure will be operational from the start of term 3.

Survey of Parents- each year the school offers the opportunity for parents to feedback to the school, commenting on how improvements can be made, and where the strengths of the school are evident. In the completion of this survey you are invited to make comment regarding the success of the Reporting to Parents opportunity.

At the time of printing, we have parents and teachers already meeting with parents to focus on next semester, having reflected on the first half of the year's progress and achievement. The school needs to know the extent to which this communication strategy (ie Meeting With Teachers on a special day) is successful and an effective use of student learning time. Ideally parents have had the weekend to discuss with their children the contents of the student report. Meeting with the teacher then cements the partnership in how the class teacher(s) work with your family and in particular your child to progress their achievement in a way that meets the expectations of both you (the parent) and the school.

Please make a comment in the Survey of Parents about whether you support the REPORTING TO PARENTS day.

In my absence over the last 3 weeks I wish to thank Mrs Barnes and Miss Rennie for continuing the daily work of building our school. Our school grows, because we continue to work together.

Our Edudance Concert was once again a fine success, with a number of classes uploading pictures and videos of the children's performances to their CONNECT audiences. Well done everyone.

Our Eagles Cup competition rallied a flurry of competition in both Soccer and Netball. A fine day being had by all with one of our Netball teams doing very well. Strong competition was evident across all the games.

A Final NOTE – **SECURITY**, we are always grateful for the community minded folk who will call Police (131444), Crimestoppers (1800 333 000) or Education Security (9264 4771) if they see inappropriate behaviour on the school site during the holiday break. It's been a fine term's work, with students generally, pushing to achieve higher and progress further. We wish everyone a restful break.

*Kim Pitts-Hill*  
*Principal*

## **2018 Enrolments**

Friday, 21<sup>st</sup> July is an important date in your child's education

Families need to apply to enrol their children in a public school for 2018 if they are:

- starting Kindergarten – 4 years old by 30 June 2018
- starting Pre-primary (first year of compulsory school) – 5 years old by 30 June 2018
- starting Year 7 (first year of secondary school)
- changing schools.

All children from Pre-primary to Year 12 are guaranteed a place at their local public school.

To apply to enrol your child, visit your local school by Friday 21 July 2017.

For more information or to find your local school visit [education.wa.edu.au](http://education.wa.edu.au).

## **Deputy News**

### **Edudance Concert**

Congratulations to all our Edudance classes for their fabulous presentations last week. The concert was a great celebration of all that has been learnt this term. Well done everyone.

Thank you too all families that donated items to go into the hampers to raise funds for our P&C.

### **Winter Wonderland Dress Up**

This Friday we fund raise again for the Wheel Chair For Kids Charity with gold coin donations for dressing up. The theme is "Winter Wonder Land". With the coldest morning so far this winter this week the kids could not have come up with a better theme.

### **Values and Virtues - words of wisdom from year Five**

The values and virtues education program that underpin everything that we do at Yuluma are a large part of what makes our school. It is heartening to walk around our school and hear our students speaking to each other respectfully and demonstrating the virtues of kindness, honesty and tolerance. I recently heard a group of year five students talking with each other about how important it is to accept that we all have different values and like different things, but we do not gain anything from making others feel small.

"if you can't think of anything good to say - you're not thinking hard enough"

### **Eagles Cup and West Coast Fever Cup**

Yuluma hosted the netball and soccer last week. Thanks to Ms Rennie, Mrs Izett and Mrs Schlegl for your help in organising the carnival.

This year we were again very fortunate to have Mr Dave Amin coach our soccer team every week for the term. Thanks Dave for your fabulous efforts. This year we had a win in soccer for the first time in many years!!

We were also very fortunate to have soccer umpires provided for us through Mr Adi Juric and Branko Jelic of the Subiaco Soccer Association. Thanks Adi for your support and generosity in organising this. Adi also provided our B soccer team with uniforms and gee they looked great!  
Thanks also to Churchlands SHS for providing us with netball umpires for the day.

*Sandra Barnes  
Deputy Principal*

### Library News

The Book Fair commenced on 17<sup>th</sup> May in the library and ran for 4 days. It was superbly run by the lovely P&C ladies Tara, Cara, Mel, Anna, Nat and Karen and the students certainly enjoyed browsing the many books and accessories on sale before and after school. From the proceeds raised, our school library received \$431 in new books which are now on display and being continually borrowed by all of the students. Thank you so much to the helpers and families who purchased items, it was really appreciated.

As term 2 comes to a close, I wish you all a relaxing holiday and look forward to viewing the Book West Books and our incursion on 17<sup>th</sup> August next term.

*Happy Reading  
Mrs Alderton*

### Interschool Training

The team of students training for the race day have exceeded expectations and I commend them for their hard work and commitment. We have certainly seen great results of endurance and fitness in those students who have come to regular training sessions. As the training gears up and race day approaches, students may find it more difficult and can lose focus. Please take a positive step to encourage your child/children to continue their training and reinforce that their hard work and commitment will pay off on the day and in the long term.

Our second familiarisation at Butlers Reserve is on **Wednesday, 28<sup>th</sup> June at 2:40pm.** Please arrange transportation for your child/children in advance of this date.

I would like to make a special mention to the parents who help out every Monday morning in the preparation of breakfast for our hard working students. Anthony, Wendy, Anna, Sonja and Nat, your help and care is immeasurable and without you this initiative could not work. I thank you for coming to school early to cook and set up the breakfast so that when the students have finished their run everything is ready for them. You all do it so effortlessly and we cannot thank you enough.

Students will have a two week holiday break but it would certainly benefit them to have a run in that time to keep their fitness levels up to where they have got it. Race day is **Thursday, 27<sup>th</sup> July from 12pm-2:30pm.** More information will be given to students the first week back of Term 3 regarding transportation to and from the venue.

*Kind Regards,  
Mrs Maslin*

### NEW SCHOOL

The State Government has announced its decision to build a new local intake secondary school, Inner City College (planning name), on Kitchener Park in Subiaco.

The inner city has been identified as the best location for a new school as it is at the heart of the population growth in this area.

The new school will have world class facilities for students from Years 7 to 12 and be built for 2000 students to ease student enrolment pressures at several schools in the inner and western suburbs.

Inner City College will also have a Gifted and Talented academic program.

The announcement means the local intake areas for Churchlands Senior High School, Mount Lawley Senior High School and Shenton College have been amended to create a local intake area for the new Inner City College. These will be released shortly and will come into effect from the start of 2020 when Inner City College opens with its first cohort of Year 7 students.

I would like to reassure you that if your child is enrolled at their local secondary school in 2019, they will be able to complete their schooling there. They will not have to change schools.

Additionally, if you currently live within a school's local intake area and your local intake area changes to Inner City College you will have the choice to enrol your children at your current local intake school or Inner City College.

Further information is on the Department's website at [education.wa.edu.au](http://education.wa.edu.au).

### Churchlands Senior High School

We would like to advise that we have an upcoming Academic Extension Program testing to take place on Saturday, 2 September with the closing date for applications being Tuesday, 8 August. This testing is for current Year 6 students to enter Churchlands SHS in 2018 who reside in the Churchlands SHS local intake area.

## OSHClub News

### Before School / After School Care Program

Hello Families,

Term 2 is coming to an end and we just had oodles of fun!

This term we did all sorts of different themes, we did Spies, Winter, and Nature.

Last week we had Science Week, and a very special guest joined us at OSHCLUB!!!

Archie's dad(Tom) a scientist, came and did some science experiments with us!

We have been decorating biscuits, baking cupcakes, playing pretend, playing games together and doing some painting and arts and crafts .

Just a quick reminder please remember to pack a warm jumper and a hat for outdoor play. Also that OSHClub is a NUT FREE service.

We look forward to seeing you at OSHCLUB!

OSHC program phone: 0401 567 594

Coordinator: Lindé KYRAS

Assistant: Christina Tse

OSHClub Head Office: 08 9261 3200

*All families must be enrolled to attend the program, remember this is Free!! Please create an account online at [www.oshclub.com.au](http://www.oshclub.com.au) all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.*
