- 11 School Photos
- 12 Massed Choir Rehearsal
- 13 Interschool Jumps & Throws
- 14 Massed Choir Concert
- 15 Interschool Faction Carnival
- 22 Future Earth Day

## Term Dates

### Term 3 2017

Tuesday, 18<sup>th</sup> July – Friday, 22<sup>nd</sup> Sept

Greetings All,

Our school camp to Rottnest earlier in the year has long since passed, and now we're facing the wet, cold chills of the winter lows. The good news is that nearly all payments from the camp have been covered and I'd like to thank parents for their solid commitment to the school and our programs. As much as possible we seek to maintain good communication with parents about student progress, behaviour, upcoming events and especially where there is a financial commitment. This year's camp extended the invitation to include year 5 students, and we thank all those parents that took the opportunity.

The data for the school is very encouraging. Long term trends indicate that the longer a student remains at Yuluma, the higher the *rate* and the higher the *level* of achievement that student will reach. Our staff do a fine job, and the teamwork with parents makes for a strong supportive learning environment for your child. Thank you – It's Learning and Growing Together. We're looking forward to our next round of Naplan data, and as mentioned at assembly last Thursday 10<sup>th</sup> August, no matter what the outcome, we continue to encourage, support, and build upon our strengths and motivation. Your child needs to know you have their back. That way they continue to strive for improvement.

Congratulations to Mrs Felton and the Year 3 class for a wonderful assembly, reminding and celebrating Aboriginal culture. Student perceptions, understandings and depictions of Australia's indigenous history, plays a significant part in building effective communities, strong friendships and feelings of empathy. Well done Year 3 students and thank you to parents who attended the event.

Our Faction Carnival is coming up tomorrow and we wish all athletes and spectators a great competition and some fine weather.

## Deputy News

### Book Week Incursion

As you are all aware, we are having a show on Friday afternoon to start of Book Week 2017. The show will start at 1.50pm and is called Super Duper. Students wishing to attend need to return \$6.50 by Thursday afternoon in order to attend.

### Book Week Dress Up

We love Children's Book Week and put thought into our dress up parade very early in the year. I'm sure all our students are very excited about this.

The Book Week Dress Up day this year will be on Thursday 24<sup>th</sup> August.

### Faction Carnival

The weather was not kind to us on Monday morning and we had to post pone our faction distances runs, jumps and throws. We have been able to squeeze all of these events in between showers over the past two days and are now able to proceed with the carnival on Thursday.

This year we will be moving things around slightly. Our students will be seated on the banks between the oval and the netball courts. The parent and community spectator area will be on the oval beside the cricket pitch and team game area. This area will be bunted off to allow races to proceed and parents to watch also.

We ask parents to abstain from going in to the student bays during the day to allow teachers to prepare the students for their events without disruption.

Thank you to all the parents that have volunteered to help on the day.

### Inter School Cross Country

Has now been scheduled for Thursday, 7<sup>th</sup> September

### School Photos

Our school photos this term will be taken on 11 September.

### Science Week - Robotics Incursion and Dinosaur Dig

We love celebrating National Science Week and recognising the importance of science in our every day lives.

This year we will be holding our School Science week from the 18-22 September. We have planned a Robotics workshop for students from Year 3-6 and A Dinosuar Dig workshop for students from K-2. Details about the cost of both of these workshops will be sent home over the next week.

In addition we have a whole school Science Day planned the 22 September.

### Child Protection Week - Parent and Student Workshops

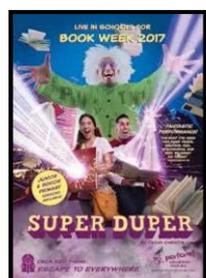

Staff from the Child Protection and Families will be celebrating Child Protection Week and holding workshops and information sessions at Yuluma on Thursday 7 September between 9-11 am. Students from year 1-3 will be involved in the workshops. All parents are invited to attend a parent session related to Child Protection that will be held in the library.

See attached flier for details.

### PEAC - Informed Into Action Expo

Last Thursday the students from Room 13 were invited into PEAC to attend an expo entitled Inspired into Action. The year 5's were informed about a number of charities and were inspired to learn about the role we can play in caring for our community via charity endeavour. It was an inspiring session that we thoroughly enjoyed.

*Sandra Barnes*  
Deputy Principal

### Library News

This Friday, 18<sup>th</sup> August, we have our "Bookweek" Incursion, "SUPER DUPER". Next week is our Bookweek and the students have been reading our Bookweek Books ready to answer the quiz questions during their library time. Good luck everyone.

*Happy Reading*  
*Mrs Alderton*

## W.A. MASSED CHOIR FESTIVAL – 14 SEPTEMBER 2017

The students in our PEP Group are performing in this Festival in Week 9 of this term. This amazing annual festival at the Perth Concert Hall offers our students the rare opportunity to perform in a magnificent venue and before an audience of 1100 parents, friends and special guests. The festival runs for 8 nights and involves 75 primary school choirs. Tickets have already gone on sale through Ticketek. **Parents are reminded that they are responsible for collecting students from the Perth Concert Hall at the end of the concert** – there will be no bus provided back to school. We hope that all parents will be able to attend the concert, but if not, please arrange transport for your child with another parent and write the arrangement on your child's permission note. PEP students will be bringing home the final note this week – please check bags and return to the Office by Wednesday 30 August.

*Cheryl Hadfield (Music Specialist)*

## Chaplain News

### Mindfulness and Emotional Regulation

Parents and Carers, you are warmly invited to a free parent workshop organised by our School Chaplain, and the P&C. This will be held on **Monday, 28th August from 9:00am – 10:30am** in the school library. We are excited to have guest speakers visiting from Uniting Care West, a non-profit organisation that provides numerous services to families and communities across WA.

### Interschool Cross Country

A note went out to students who are in the Interschool Cross Country Team on Friday with the rescheduled Race date. It has now been scheduled for **Thursday, 7<sup>th</sup> September**. Please continue to support and encourage your child to attend training on Friday mornings with the Running Club students.

### “Yuluma Students Up Against the Best in the State”

This Friday 18th August Yuluma will have some students running in the Champion Schools Cross Country event at McGillivray Oval in Mt Claremont for the first time.

This event is open to all students from around the state so the standard is expected to be very high. Races will be over 2 or 2.5km depending on age group.

We commend these students for training hard and putting themselves up against the best possible competition available. The spirit and confidence demonstrated by these athletes are the kind of attributes we strive to develop in our school.

Congratulations and good luck to those students who are participating in this exciting event.

Look out for an event wrap up in our next newsletter.

*Kind Regards,  
Mrs Maslin*

## Cyber Safety at Yuluma Primary School

The world of social media & technology is fast becoming the centre of our children's universe. It can be a challenging task for parents to stay on top of the dangers of social media and technology, while monitoring their child's online behaviour and finding balance.

We are offering a workshop for parents of Yuluma PS Children to learn more about managing children's technology use, including an introduction into the most popular social media platforms and practical tips for keeping kids safe online. We will also cover information on setting boundaries around technology, online behaviour management, and tools for managing technology both in and outside of the home.

If you've ever struggled with getting your kids off their games and into bed, worried about knowing what your child is accessing online, or felt concerned that your child was spending too much time in the digital world, this workshop is for you!

Please register for this event by following the link provided. This is an important school event for all parents to attend.

6.00 pm – 8.00 pm Monday 23 October 2017 in the School Library. Light refreshments provided.

E [development@hillarysyachtclub.com.au](mailto:development@hillarysyachtclub.com.au)

Welcome to the 2017/2018 **Subiaco Marist Cricket Club** cricket season! Registrations are open and the big news is that we have an U13's and U15's team for girls this season!

Online registrations are now open. Requests regarding age group and teams are to be included in the 'Comments' section of your registration. Please register online via the link below as it reduces the work for club volunteers!

<https://playreg.cricket.com.au/pages/noauth/olregstart.aspx?entityid=1449&fl=1&type=0&id=15701&misc=dTHONZOikkI3GVxTH3MvxRfB0Dv5dUDa7WtV8pbUq8=>

**Registration Day is Saturday the 19th of August 9am-12 noon** in the Newman sports complex at Newman College on Tuscany Way, Churchlands. Registrations will be closed two weeks after Rego day to facilitate organisation of teams.

Uniforms will be available to try, purchase and take on the day (or to order if stocks run out). Clothing can also be ordered with your online registration.

Please contact Zana Appelbee with registration queries [zanaappelbee@gmail.com](mailto:zanaappelbee@gmail.com)

### Karrinyup Little Athletics 2017/18 Registration
